Information

The RH 580 gives you the confidence and comfort only a Hardtop can offer – providing a dry, safe ride home when the weather changes.

This beauty is perfect for longer distance fishing and diving trips. You'll only need a medium-sized vehicle to tow it, giving you access to your favourite beach hideaways. With extensive factory options available, more and more serious anglers are customising their dream fishing machine. The RH 580 is surprisingly capable, soft riding and very roomy.
