Information

For big engine performance, delivered in a small engine package, you can't go past Yamaha's F15 four stroke outboard. This two-cylinder, 362cc, four-stroke outboard is extremely fuel efficient, while producing a powerful and smooth-riding all-round performance. This engine includes Yamaha's PrimeStart™, which delivers quick and efficient starting in all climatic conditions. While the manual start models include an Auto Decompression feature which makes pull starting easier. Other features include a Shallow Water Drive System which allows safe operation in shallow waters and a high out-put alternator to ensure adequate power supply to run all your electronics.
