

Mclay 571HT

Take home from \$237.30 per week

As Displayed **\$72,370.00**

Information

With the market shifting into hardtops of all sizes Mclay spotted a gap in the market and introduced the 571HT. The hull is a modified version of the 571 cuddy to counter act the weight of the hardtop. This boat has stability at rest and a beautiful ride to go with. A great entry point into the hardtop market. Powered with Mercury 90hp four stoke and Toko Trailer.
