Information

A personal favorite of the Boat City Team the RH 690 has beefed up construction extra width, depth and size makes for an awesome rugged water fishing machine!

Large storage areas including under floor storage and dive bottle shelves built into the pontoons at floor level are standard features.

The 2.5m beam gives the boat large volume, plus a deck interior width of nearly two metres, giving serious divers and fisho's plenty of room to move.

Senator's RH690 can be powered with up to 250 horsepower, giving you the ability to quickly access offshore fishing areas with confidence. Twin motor and stern drive options are available.

On a tandem trailer it weighs in at around 2,000kg, giving you plenty of vehicle options for towing.

Boat City are a family business that have been at the forefront of the marine industry since 1962.

With one of the largest ranges of brands both new and used, you can purchase with confidence that we will have something to suit your needs.
