### Information

The Kiwi-Kraft range of boats is designed to get you and your passengers to and from your favourite dive or fishing location in complete safety, comfort and style. Matched with the recommended outboard motor(s) the performance of these boats is simply stunning. The secret to Kiwi-Kraft's outstanding on-water performance is the unique hull design, which features a variable dead rise thus creating a long bow. This leads to fine entry characteristics and the soft dry ride that Kiwi-Kraft are renowned for.

### Specifications
