\$118,496.00

Information

Based on a well proven ride and stability hull that used to be used on the 651 CrossXover. It features more deck area for fishing than any other boat in the McLay range and lots of standard features to suit serious fisherman or family boater. At a package price that will make it one of, if not the most cost competitive 6.5m boat on the market. Also, lots of options that can be added to suit most boating needs.
