### Information

The Senator RH650 provides unbeatable deck space at a massive 4.5M squared. So if it's room you are after and lets face it the deck is where we spend most of our time on the water then you can't go past this impressive rig. Safety is paramount at Senator and this boat as a massive amount of buoyancy in the pontoons and underfloor, and combined with high sides you will feel secure when chasing those big fish offshore.
