Information

We love these boats here at Boat City! Compact and easy to handle but with more deck space than most 5.5M fiberglass boats. The little cabin up the front is there for storage with just enough space for a couple of little ones to sit. The walk thru screen makes a great feature for when coming into the beach to exit out the front. The Stainless Targa with rocket launcher helps is ideal for getting the rods of the ground and up and out of the way, while providing plenty of protection from the sun.

Specifications

Boat					
Hull Length: 4.85	Overall Length on Trailer: 6.0	Width on Trailer: 2.4	Material: Fiberglass	Warranty Structural: 3 month	Year: 2018
